Sir,

Sub: AGRICULTURE - Hingari Jonna Scheme at the Agricultural Research Station, Siruguppa - closure of the scheme after its period of sanction - orders regarding utilisation of staff - requested.

Ref: G.O.No.Ms.3523 Development Department dt. 2-7-49

In the G.O. cited above, the Government had sanctioned the continuance of the Hingari Jonna Scheme at Agricultural Research Station, Siruguppa for a period of three years from 29-9-1949 with the temporary staff of two Assistants and three fieldman. The present sanction will expire on 28-9-52.

2. The Millet Specialist has reported that work has been taken on hand, as part of the normal duties of the farm staff at Siruguppa and of the district staff, for supplying the project area in 1953 with sufficient seeds of Mungari and Hingari jonnas and that there is no further need for a special scheme for this purpose. The proposal of the Millet Specialist to terminate the Hingari Jonna Scheme on 29-9-52 and to assign the work of millet improvement work to the Agricultural Research Station, Siruguppa to be carried as a normal part of the stations activities with the aid of the permanent millet staff of that station has been accepted.

3. Out of the two posts of Assistants sanctioned for the Hingari Jonna Scheme, one post was made permanent with reference to G.O. No.325 Development Department dated 24-1-1949 and the other post was also made permanent with reference to G.O.No.1303 Food and Agriculture Department dated 26-6-1951. Including these two posts, the total permanent strength of Assistants for the Agricultural Research Station Siruguppa is seven. The particulars of work allotted to the 7 Assistants are given below:

Three Upper Subordinates are working as Farm Managers under the control of the Agronomist, carrying out various experimental work in the station as per three year programme of work, general management of the farm, live stock etc.,

One Upper subordinate is doing purely entomological research work on cholam, cotton and other crops of the station as per programme of work drawn by the Government Entomologist under whose technical control, the subordinate is working. This assistant is only under the administrative control of the Agronomist.

One Assistant is working at Coimbatore under the technical and administrative control of the Government Agricultural Chemist doing work on analysis of soils, waters, sub-soil water etc., sent from this station from time to time in connection with the study of physico-chemical reaction of soils on irrigation.

Two assistants are working at Siruguppa under the technical and administrative control of the Assistant Cotton Specialist, Siruguppa doing breeding work on all Millets such as continuation of Hingari Jonna, breeding work, korra improvement work, work on ragi and Mungari jonna etc., as per the three year programme already approved.

p.t.o.

the two posts of Assistants originally sanctioned for the Hingari Donna Scheme and subsequently converted as permanent posts are required to be retained as permanent staff of the Siruguppa Station for carrying on millet improvement work under the Assistant Cotton Specialist, Siruguppa. I, therefore, request that Government may be pleased to approve the above proposal and direct that the two permanent posts may be retained from 29-9-1952 onwards as permanent additions to the Agricultural Research Station, Siruguppa for millet improvement work.

4. The Agronomist, Agricultural Research Station, Siruguppa has reported that there are already 3 permanent posts of Fieldmen sanctioned for the station, besides the 3 temporary posts sanctioned in the Hingari Donna Scheme, and that the millet improvement work on the station can be manned with the 3 permanent fieldmen and that there is no need for additional posts of fieldmen. It has, therefore, been decided to disband the temporary staff of 3 Fieldmen sanctioned for the Hingari Donna Scheme on the a.n. of 2d-9-1952. I request that this proposal may also be approved.

5. The report called for in paragraph 5 of the G.O. cited above will be submitted to Government shortly after the termination of the scheme.

6. I request very early orders of Government.
